The image features a close-up, vertical view of a light-colored wood surface, likely pine or a similar softwood. The wood grain is prominent, showing a mix of straight and wavy lines. There are several knots visible, particularly on the right side, where the grain curves around dark, circular or oval-shaped nodes. The overall color is a warm, pale tan. In the center of the image, the text "SH 2015" is printed in a clean, white, sans-serif font.

The image shows a close-up of a marbled paper pattern. The background is a deep black, which is crisscrossed by a network of veins. These veins are primarily a bright, vibrant orange, but they are also interspersed with thin, irregular lines of white. The overall effect is one of organic, fluid movement, typical of traditional marbling techniques. The texture appears slightly grainy, suggesting it might be a scan of a physical sample.
